General Meeting for Italy and Greece for new families starts at 5:30

1. Donna -We are a large group but we pride ourselves in "feeling small" as each advisor is in charge of 10-11 kids so that advisor becomes your "GO TO" person on the trip. Travelers will get themselves into groups of 10.
2. Donna – years of combined experience within our advisors is over 95 years -our advisors have huge strengths and make a superb team!
3. Donna - Outline the trip – 17 days
4. Register today so you get in on our next draw of \$1500 which will happen at our meeting following this meeting
5. Donna - This is our 27th anniversary of travel with teens so we will be making 4 draws for \$1500 off the price of the trip and travelers get \$300 off when they register by May 10. We will make our next \$1500 at the end of our meeting at 7:00pm
6. Donna -Outline payments **COST: After the initial \$199 EF payment your automatic bi-weekly payments are approx. \$ 345 or 9 monthly payments of \$690**
Approximately \$6225 for this 17 day trip if registered by May 10
For more info go tour web site www.paytc.ca
7. Donna- **EF Automated payments – preferred way of paying for the trip.** If you don't choose this method of payment you need to pay another \$500 within 30 days and then payout the trip 120 days prior to departure date-late fees often occur as families forget to pay the trip off.
8. Donna -Anyone who has connections and feels they can get the club donations please do so – in the past we've gotten gift cards from Super Store, PA Auto Body, TBS, Clean Bee, Jiffy Lube, Econo Lumber - to help purchase BBQ products. Les Cragg is "the parent with the mostest" when it comes to getting donations!
9. We'll be having only 10 meetings so really try to attend each meeting . **You will sign up to work your 4 BBQ's at this meeting so bring your working calenders.**
10. Co-Op fund raiser and Esso Card fund raiser
11. BBQ - our main fund raiser – each family is required to work 4 BBQ's. You'll get between \$70 - \$75 per shift worked so that equates to about \$300. If you choose not to work these BBQ's you can find another family to work them for you or you'll be charged \$200.

15. **Jamie - The Value of our PA Youth Travel Club:**

A) Travel inspires students to seek out their dreams and **approach the world with much more confidence and enthusiasm**

B) **Travel is often a “kick start”** to many other things in life like putting yourself “out there”, like knowing you can overcome obstacles, like starting conversations with adults and many more.

C) Travel allows a student to be out of their comfort zone and know that this is a positive thing. **Travel gives the students a little “nudge” to do different things**, to enjoy different people, to try different foods and modes of transportation. Once students have experienced this little nudge they then will often continue “nudging” themselves in their everyday life.

D) **Educational travel has a HUGE POSITIVE IMPACT** on students! Students **learn through the experiential learning** that is provided by travelling with our club on a daily if not hourly basis.

E) **Travel changes how a student perceives the world, our country, our city and your home. Travel brings a great new appreciation of living where they live and having the family they have!**

16. Donna - TRAVEL POEM SENT BY A FRIEND!

I urge you to travel - as far and as much as possible!
Work ridiculous shifts to save your money
Go without the latest i-phone.
Throw yourself out of your comfort zone!
Find out how other people live and realize that the world is a much bigger place than the town you live in.

And when you come home, home may still be the same
and yes you may go back to the same old job or the same old school,
BUT, something in your mind will have changed
AND TRUST ME, THAT CHANGES EVERYTHING!!!
